Research and report back to Assembly

- Who are these 'Common Law experts?'
- Who put up the money to form and maintain these working groups, both at the State and National Level?

- What benefits to 'The People,' if any can you find?
- Why are we 'The People' being reduced to the status of a Corporation ie person / persons?
- Is there accountability of government / bureaucrats, such as 'Treason' attached to this proposal?

5. Previewed and discussed

The land grab - Monetizing Nature -

- The increasing power of Local Councils backed by Local Government Associations LGA's and the Australian Local Government Association ALGA.
- Renewablse and the Carbon they want to remove, We Are The Carbon They Want To Remove .
- Sustainable Development Goals SDG's (in line with UN policies) [UN Agenda21/30 SDG's](#)
- 'Who's fingers are in the Pie?' "To use an old saying!" <https://frrr.org.au/about-frrr/patrons-board-and-governance/#the-board>

6. Update Details CLA website. – Please register if not already done.

Further discussion and research at the next meeting.

Meeting closed 7-15pm
